

DELI LOUNGE

Designer: Thomas Pedersen

"Deli Lounge expands the popular Deli series with an inviting, comfortable chair. The design is more voluminous than the classic Deli armchair. The adjusted seat height and more reclined construction offer the opportunity to sit and relax in a number of different positions. With its clearly organic design and high level of comfort, this chair can be used in many different ways in many different lounge settings."

F-260

Easy-chair

Performance

Frame in black (RAL 9005) or white (RAL 9016) lacquered metal. Skandiform Colour Collection (RAL) lacquers as an option.
